Dear Mr. Killian,

I thank you for sending the Killian history book for which I am enclosing a check.

I am sorry to be so long in answering, but have been trying to check out our geneology. As far as I can see now we are descendant of Philip, son of John Sr. and Elizabeth Z. Killian, as listed on pg. 9 of the history book.

When I find further information on this I will write you of it.

Thank you again for your efforts in our behalf.

Sincerely,

Mrs. Duane Killian
