Dear Mr. Killian:

The invitation you have extended to me to be present for the Killian Reunion on Sunday, September 8 at Salem Reform Church is deeply appreciated.

I wish it would be possible for me to attend this reunion and have the privilege of this fellowship with the members of this prominent family, so many of whom I know. I regret that it is impossible for me to accept the invitation due to the fact that Freshmen Dormitory Students will be arriving the afternoon of September 8 for the opening of the fall term. I consider it rather important that I be on the campus that afternoon, not only to greet many of these entering students as they arrive but also to be able to speak with many of the parents who will be bringing them.

I hope that you will have agreeable weather, a splendid attendance, and a most enjoyable afternoon of fellowship.

Very truly yours,

Voigt R. Cromer
