Dear Mr Guy Killian

I have heard of you through Mrs Ellen Killian and Mr Don Tucker and would like to write you and ask you if you have the Killian records.

I would have liked to have gone to your reunion. Sometime I may be able to make it.

I use to correspond with J. Yates Killian and had many good letters from him. He said they were writing a history of Lincoln Co. Was it published?

I also corresponded with C. H. Killian of N. Y. before he died I understand his wife is staying with a Daughter could you tell me how to get in touch with her?

Ellen wrote me that you wanted to get her records and I have been trying to get them together to send you. What dates and names do you want? are you going to

I have the Book that I
yates Killian made up. But
would like to see a History
of the family and Pictures in
it.

I hope to hear from
you soon,

Sincerely

Mrs Melva C. Lyon
