Dear Mr. Killian -

As you know, I am  
of the Beaver Dam tribe of the  
Killians. There are several  
errors in our branch, so  
I am sending you a check for  
a copy of "The Killian Family"  
and after a study of this  
history I will send you a  
list of my people.

I hope I may be able to  
attend the Killian gathering  
some September. My wife  
and I live at The Methodist  
Home.
