Dear Mr Killian -

I know if there are any of the  
books of the Killian Klan  
History available at this time

I am living at <sup>the</sup> North  
Cordina Lutheran Home for  
the aged here in Hickory and  
we would like one of the books  
for the library here,

Dear Mr. Killian:

Miss Virginia Collinger, a resident at the North Carolina Lutheran Home, has shown me the Book, The History of the Killian Family in North Carolina, which you sent as a donation to the library.

Please accept my personal thanks for this contribution as well as the thanks of the residents of the Home. This book will be of interest to many, and we certainly appreciate your contribution.

Please come by to see us when you are in this area.

Very truly yours,

Isaac F. Kuhn, Superintendent  
Hickory Unit
