Dear Wanda,

Thank you, and my Killian relatives, for the annual invitation to the Family Reunion.

For a number of years I've thought Nadine and I would manage a trip to your part of the country during that time of year, but so far it has not happened.

I have written William D. Killian in the past, and see that he is serving as "Historian" on your officers staff. If convenient will you give him my regards.

If any of our esteemed friends, or relatives, visit the vicinity of Santa Rosa, California, I invite them to contact us.

Sincerely yours,

Remos A. Killian
