Dear Mrs. McElveen,

I was given your name to contact for information on a Killian ancestor.

I am writing a book on The Immortal Six Hundred, a group of Confederate officers, prisoners of war. One of these men was Lt. George Henry Killian, 5th VA. Inf. He joined his company in Augusta Co. Va. in April 1861 as a private. After the war, he moved to Decatur, Ala. where he died during a yellow fever epidemic in 1888.

I would like more information on Lt. Killian for a biographical sketch. If you are a descendant, or could give my name and address to someone who is, and could supply more information, I would be most grateful. Thank you for any help.

Sincerely,
Mauriel P. Joslyn
