Dear Warda,

Enclosed are two letters that I received from George Killian last year. Helen sent him information on our family earlier this year. When I talked with him in March he hadn't done much on his project yet.

I thought that it might be a good idea to include in the notice for the reunion this year that George was looking for more information.

When I called his home a couple of weeks ago I got a recording saying they were gone and to leave a message. So far he hasn't returned the call - must be on a long trip.

Anyway, do what you think is best. The copy of his letters tell what he has in mind. Look forward to seeing you at the reunion.

P.S. please add the enclosed names to the mailing list for this year.

Sincerely,
Bill Killian
