

2016 AKDHA Reunion  
Book Editor Report

All the Killian Books have been sold.

It is time to reorder.

"The Family of North Carolina Pioneer Andreas Killian born 1702", AKDHA's 2009 book has sold out. A total of 280 books were printed. 100 copies were given away to the people that helped make the book possible. Another 180 books were sold. Eleven books have sold since the 2014 reunion (2 years).

"The Forefathers of North Carolina Pioneer Andreas Killian", AKDHA's 2011 book has sold out. A total of 120 books were printed. 10 copies were given away. Another 110 were sold. 12 books have been sold since the 2014 reunion.

"Things I Remember" by Dr. William "Bill" Killian have all sold. Bill donated 12 copies of his book at the 2014 reunion. I do not know if he and his family have any more copies.

It is my suggestion that 10 copies of;

"The Family of North Carolina Pioneer Andreas Killian born 1702" be reordered. \$115 plus shipping.

"The Forefathers of North Carolina Pioneer Andreas Killian" be reordered. \$142 plus shipping.

This would be an investment of about \$300. This would be about a two or three year inventory.

I would like the Treasurer to handle the orders, payment and inventory. This would cut one step out of the "chain of command".

I have a payment with me for one copy of The Forefathers. That check would have to be returned if the AKDHA Officers decide not to reprint the book. This is a bird in the hand.

I have a promise of another copy of the Forefathers, if and when we reorder. This order might or might not come through.

Please place a motion that I reorder 10 copies of each book and have them shipped to the 2016-2017 AKDHA Treasurer.

Respectfully submitted,
