CHURCH TREASURER

June 21, 1958

Dear Brethren:

Once again at this time of the year, your Board of Deacons thought it wise to inform you of the status on our manse debt at the Bank of Ridgeway, and to outline our plan for arresting this mortgage.

In 1956, through three canvasses in which we asked for a day's pay, a total of \$1,247.00 was collected. In 1957 no canvasses were conducted and each member was asked to include in his pledge his contribution to the manse fund.

In 1958, your Board of Deacons thought it wise to match dollar for dollar the \$100.00 contribution given by the Church Extension Committee. So far this year we have contributed \$100.00 on this plan. With a balance of \$5,100.00 remaining, we solicit once again your help in raising money for this cause by contributing at least one day's pay.

As announced in the church service of Sunday, June 15th, your Board of Deacons will canvass you during the week of June 22 through June 29. Your cooperation in having ready your contribution will be greatly appreciated.

The Deaconate
