Charley, Commerce  
Winnsboro, G.C.

Dear Mrs Morris.

Again I want to express my thanks for your kindness and hospitality last summer.

You may recall I was interested in Cemetery records. I believe there must have been a Gamble cemetery somewhere. I found land records that they owned land on both sides of Winnsboro. one had property on Horse Branch; the other was west of Winnsboro on Jackson Creek. Do you have any information on old cemeteries in either area. The cemeteries were probably abandoned by 1830 for most of the Gambles had moved by then.

If you should find any record of Gamble's burying grounds I would appreciate hearing from you.

yours truly  
Leon W Gamble
