Dear Staff, July 17, 1987

Here is some Adger  
information I found in  
Charleston S.C. I thought the  
museum would enjoy having  
it. James Adger was the  
brother of Fairfield's John Adger.  
John Adger along with William  
Harrison Ellison & Dr. Eliza J. Hall  
moved to Bossier Parish, La. in  
about 1860. The wife of  
William Harrison Ellison was  
Elizabeth Adger, daughter of  
Robert Adger of Charleston, S.C. Robert  
was another brother of James & John  
Adger.

Robert died young, so Elizabeth  
was reared in the home of  
her uncle James Adger II.

I just thought this would  
be helpful for the museum,  
and also people tracing the Adger's.

Sincerely,

R S Hall

P.S.

I have other data on the Adger's  
I will send later.

R S Hall

Dr. Eliza J. Hall married Ellison's  
sister, they were the daughter of  
William Harrison Ellison & Elizabeth Adger  
Ellison. He first married Sallie, and she  
died & he next married her sister Jane.
