Hello Mary,

Yes, thank you, we received your email with the pedigree information.

Your request is now number #4 of 7 member request (25 total request).

Thanks for your patience with us. We have been working as time permits on your request. Walk-in's and members have priority for assistance with research.

For our records would you please share any information you have updated on your family lines. The information will be filed and made available in our family files. This will aide to expedite future request for research and assist walk-in researchers.

Please let us know if you need any further assistance and feel free to call us to check the status of your request.

Subject: Membership application?

Hello, Eddie,

Thank you for taking the time to talk with me this afternoon. I had a problem with my internet access so this is delayed. It seems to be back now and I was successful in sending the scanned PDF application. I did get a confirmation back, but at the same time a message from my antivirus program that a suspicious site had been blocked, located in Seattle. Would that be coming from "Square" which I assume is like "Pay Pal" and was trying to offer me a chance to join up with them?

The attached files may explain the families a little better. I am especially interested in finding out if he had any patriotic service that would qualify him as a Patriot recognized by the DAR or SAR. They accept loyalty oaths, financial support or other patriotic service in addition to military service. The only 'match' I got for Arledge was a William Aldredge in Rowan Co, NC when I looked for military records. I have copies of Clemment's will, and some census records for him and his son Clement (born 1777) who was one of Cyrus's brothers.

There was a report in someone's family tree that John Featherston served with Marion's Men in the Rev. but no documentation and I have only found a Richard Featherston (Camden District Reg.) and William Featherston (SC 6th)- I think Richard may have been John's father's name, but this may be a brother. I would think John's father would be too old to have served in the military. Don't know about William. There weren't any men of either surname listed in the 2500 names that I saw online from the book about Marion's Men.

I'd be grateful for any information that can add to my knowledge of these families, since I've just begun researching back this far on these branches. Haven't found Joseph Ephraim Bell's father or Sarah Shumate's, so don't know if those are possibilities. If you have other questions, please let me know. I don't want to waste the volunteers' time looking for things I may already have, but much of what I've found is from other family trees. Some seem better documented than others.

I look forward to hearing from you.

Mary Morgan

Thank you, Eddie. We've been traveling & spent some time in Athens, AL at their Archives. Found some info on Featherston's that leads back to SC. One thing was a transcript of the will of Lucey F. Will book 1 pg 11, Chester Co. Also, John Featherston's, jr will book E page 105, Apt No 19, Pkg No 288. Probated Oct 5, 1811. Mentions his brothers Richard & Howel, sisters Rebekah Scoggin & Lucy Arledge. father John, Sr & mother Willey Featherston. Witnesses? Clement, Cyrus, & Ely Arledge. Would love to have copies of originals. Other info may connect but I need to go through it when we get home next week. Seems Fairfield & Chester Counties are good places to search. I'll let you know ASAP what else I have. I really appreciate your help in my search.

Hello Mary,

Yes, thank you, we received your email with the pedigree information.

Your request is now number #4 of 7 member request (25 total request).

Thanks for your patience with us. We have been working as time permits on your request. Walk-in's and members have priority for assistance with research.

For our records would you please share any information you have updated on your family lines.

The information will be filed and made available in our family files.

This will aide to expedite future request for research and assist walk-in researchers.

Please let us know if you need any further assistance and feel free to call us to check the status of your request.

Eddie
