MOVED! I soon add s

student for about a year.

The student will work about 20 hours a week and will receive six graduate credits in museum management, as well as a small paycheck.

"Having an extra person will be a real plus for the museum," Lyles said.

The student's duties will include:

- Assisting the director in a year-long museum self-assessment and planning project.
- Serving as a liaison between the museum and the Fairfield County Tourism Committee.
- Assisting in maintaining accurate records from the various museum volunteer committees.
- Keeping statistics on attendance at the Railroad Museum
