Good Morning!

In May of this year, I was fortunate to research in Charleston, at the Archives.

Attached are family group sheets as a result of my research and as a result of reading "Fairfield County Family Histories".

I obtained your name and address from a gentleman at the State Archives.

Please place my family group sheets in your files, and if possible, if you have someone researching this/these families, would you put them in touch with me? I would greatly appreciate it. If there is a fee for this service, please let me know.

Sincerely,

Lorraine C. Cates
