Hello Dana,

I am sorry what I sent you was all I was able to find in our collection.

The cemetery page and funeral program were the only Mills in our collection.

The census pages were all I could find for your Henry Mills family.

The death certificates found may or may not be children of your Henry Mills family.

I can say that there is mention of a slave master Mills that prayed morning and sunset with his slaves in the slave narrative collection.

No mention of any of the slave names or master Mills name.

There is a Henry Mills in the militia 1869 rolls and often the slaves would take on the name of the slave master; especially if he was good to them.

However, that is all I can find on Henry Mills also.

Township 14 is the town of Winnsboro, so they may not have been on a plantation, but worked in a store, or trade or at the town home.

I have attached a paid-researcher list from the SC Archives that may have someone that can be of more assistance.

I know it can be frustrating, but I hope you are able to find more soon,

Eddie

Roxanne Mills(Rose) born around 1869 she is the first child born to Henry& Catherine Mills....I open my Ancestry.com page to Public. Let me know if you find anything

Hello Dana,

Sorry it has taken so long to get back with you, we have been very busy with walk-in's and other request ahead of yours.

It looks like much of the family moved to area around Charlotte, NC or Philadelphia, or Maryland.

Henry and his daughter Rosa died here and were buried in Fairfield County as listed below in our cemetery listings.

All of the Mills that we have documented are listed below:

<b>MILLS, ALPHONSO</b>	<b>2/10/1944</b>	<b>6/28/2008</b>	<b>GILGERT, SC</b>
<b>MILLS, HATTIE MAE (COOK)</b>	<b>4/6/1922</b>	<b>2/8/1995</b>	<b>WHITE HALL AME</b>
<b>MILLS, HENRY LEE</b>	<b>10/13/1925</b>	<b>10/15/1997</b>	<b>ST. MATTHEW BAPT. #2</b>

I have sent via our printer other Mills family documents I have been able to find.

You may have some of this already; it was hard to tell since your Leake Family Tree at Ancestry.com was private.

Hope this helps in your research,

Eddie

Hello Dana,

We have begun looking at your additional request.

It is much easier for us to search backwards to a given ancestor from 1940 ancestors or relatives.

Your parents or grandparents are in the 1940 census, please start by given us these relatives.

Then we can work backwards to your great & great-great grandparents.

Even better would be a family tree chart with your direct parents, grandparents, etc.

It is hard for us to find much diving into the 1800's.

Dana,

Walk-ins we assist as they are here, therefore walk-ins come before email or written research request.

We have so many email or written request, we have to assign them numbers as they come into us.

We currently we have 16 email or written research request.

Request 1-3 are member request (they paid membership, minimum \$20/year, receive free priority research and free copies for membership year).

Members have priority over non-members and will be researched first.

We usually give some research and email findings without charges up to a point (2 hours of research).

That is why information was sent to you earlier without charges.

Request 4-16 are non-member request and after 2 hours of research will be asked to become a member or send \$15/request, \$.10/copy before additional results are sent.

Your follow-up research request is number 13.

Currently, if you become a member, your request will be moved up to number 4.

If all remaining non-member research request people became members, your request would go to number 16, that's how it works.

You do not have to become a member.

If you decide to check it out; then go to our website (listed below), view member benefits and members only pages (via membership password).

If you decide to become a member, print out application and email (scan it to us) or U.S.P.S. (mail it to us) and either send us a check or pay online.

Any other questions, please feel free to give me a call,
