Dear Ms. Bolick:

My Cousin is always on the "look-out" for Barnes information for me - I was a Barnes. I'm trying to do some genealogy on my Barnes line & can find nothing! Apparently my line was small & died off - my immediate Barnes line died with my father -

I will give you the only info I have & if any of these names sound familiar please advise -

my great grandfather: H. D. Barnes

(I don't know what the B. ? D. ?

H. D. stands for)

Born: Wilson, N.C.

he married (Sarah) Jane Williford

When married: ?

Born: Wilson, N.C.

I found an old "funeral Card" which states - Sarah J. Barnes

B. July 18, 1848

D. June 3, 1911

Age 62 years, 10 mo's + 15 days

I assume this is my great grandmother - I got the info. I have from my grandfather's obit. + death Certificate -

H.D. + Jane apparently had 2 Children  
(maybe more) one, my grandfather

Frank Sanford Barnes

B. Feb. 18, 1883, Wilson, N.C.

D. March 11, 1947, Charleston, S.C.

M. Nov. 30, 1940 to Nettie Dixon Barnes

in Bishopville, S.C., Nettie's home +

They're buried there -

In the obit of my grandfather (Frank S.),  
it states he had a sister Mrs. R.H.

Pitman of Luray, Va.

Frank + Nettie had one Son, my  
father - Frank O'Lander Barnes

B. Jan. 9, 1907 in Wedgefield, S.C.

D. Feb. 8, 1960 in Chas., S.C.

M. Crystal V. Leasure May. 9, 1936

B. Dec. 13, 1913

D. ~~Feb.~~ Feb. 16, 1960 -

As you can see my mother + father died  
one week ~~apart~~ apart - of natural  
causes - I'm an "only" child -  
my name was: Lannette Patricia Barnes  
now STEED - B. Sept. 27, 1937 -

I was thrilled to hear there is a  
Barnes book - somewhere - I'll  
scout around ~~our~~ <sup>our</sup> libraries here  
& call Columbia & try to help locate

1. The + phase of the cycle is the + phase  
(negative feedback) and the - phase is the - phase  
The + phase is the + phase  
2. The - phase is the - phase  
3. The + phase is the + phase  
4. The - phase is the - phase

There's a lot of + phase in the + phase  
it's a lot of + phase in the + phase  
Pattern of turning vs.

Frank & Little's book are very good  
The + phase is the + phase  
The - phase is the - phase  
The + phase is the + phase  
The - phase is the - phase

The + phase is the + phase  
The - phase is the - phase  
The + phase is the + phase  
The - phase is the - phase  
The + phase is the + phase  
The - phase is the - phase  
The + phase is the + phase  
The - phase is the - phase

- 3 -

a copy - Do you know where the  
Author, Fredrick Barnes Thomas  
is from? Maybe a library in his  
home town has a copy!

My Cousin found your inquiry  
in the S. C. Magazine of Ancestral  
Research -

It was interesting that your Elizabeth  
Barnes was a Difer -

Hope to hear from you -

Sincerely,

Lanette Barnes Steed

P.S. Where is Blair, S.C. ? What is it  
close to ?
