Notes for Family-Group Sheet number 24 Page 1

- (1) Only two children living (Jan 1987), Christine in Hot Springs, AR. and Jewel in Mt. Ida, AR.
- (2) Donna became Jehovah's Witness, moved to San Francisco area, Calif. and family lost track of her many years ago.
- (3) Pearl died from diptheria.
- (4) Pauline died from bone cancer.
- (5) Bertha died in infancy (9 days).
- (6) Thomas "Ervin" was a farmer all his life. He died about age 58 from "Stomach Trouble" (Probably cancer).
- (7) Thomas Ervin's birthdate is questionable. Tombstone gives 1860; marriage license indicates age 24 (in 1888); censuses indicate 1859, 1860 & other. The tombstone date would seem to be most reliable.

- (1) Probably married in S.C., wife's name unknown. Wife prob. d. after birth of Martha Jane (1835) and before 1840 census in which she does not appear.
- (2) Ezekiel appears in 1840 census of Madison Co., AL. as Ezekiel "BEENE" with no wife shown.
- (3) Ezekiel next appears taking land in Marshall Co., AL. in 1843.
- (4) There are two Ezekiel BEAMs in Alabama during the 1840s and this can cause confusion in research.
- (5) This Ezekiel appears in Alabama censuses through 1840 and he died by May 1847 when the administrators of his estate were petitioned to complete a real estate transaction he had apparently started before his death.
- (6) The other Ezekiel appeared in the 1850 census of Cherokee Co., AL. and thus cannot be the same Ezekiel.
- (7) Both Ezekiels were born S.C. ca. 1790/1800 according to census records. Circumstances would make one conclude they were related, probably first cousins.
- (8) John BEAM, shown as the father of Ezekiel on this family group sheet, left a will naming an Ezekiel among his sons. It is not proved that this is his Ezekiel BUT, due to similarity of names passed on to his children, it seems almost beyond doubt.
- (9) This compiler conjectures that Ezekiel found in Cherokee, Co., AL. in 1850 was descended either from another son of Albert BEAM (d. ca.1790 in S.C.) or from an Ezekiel BEAM(S) (killed by patriots ca.1782 in S.C.

Notes for Family Group Sheet number 36 Page 1

- (1) No proof that son Albert in this family is same Albert that first appeared in S.C. in 1767.
- (2) This son Albert was christened 4 March 1733\* and would have been about the right age to have migrated south and arrived in South Carolina around 1767. He is also the only BEAM with the first name Albert that this writer has found other than the ones in S.C.
- (3) Thus an argument might logically be made that he is the same Albert. This writer considers it a possibility but by no means a certainty.

h information from headstone

- (1) Most of this information from "THE EARLY HALSELL FAMILY OF SOUTH CAROLINA" compiled by Cyrus Happy and is on microfilm at LDS Library, SLC.
- (2) Thomas HALSELL #2 was born by 1721, if at least 21 years of age when he signed a petition with the MOBBERLYs and John TURNER in 1742 in Prince George County, Maryland, that part which is now in Frederick County, MD.
- (3) He was taxed in Lunenburg County, Virginia (Now Bedford County) with the MOBBERLYs, John Turner, the HILLS and the MEADORS.
- (4) A Thomas HALSEY received a S.C. Memorial (Grant) of 100 acres in Craven County on the north branch of Little River, called Bower's Mill Creek on 25 Sept 1766. This is about the same time and area where the MOBBERLYs, HILLS, TURNERs, MEADORS and Albert BEAM received their Land Memorials.

Note: It is not proved but dates, ages, etc. would seem to indicate this Thomas HALSELL is the father of the Sarah HALSELL who was married to Albert BEAM.
