

Died at his home in Chester county
S. C., Sept. 1st, 1910, Robert Mc-
Master Bell, aged 33 years, 4 months
and 5 days. The subject of this notice
was called to pass through many wearis-
some days and nights of affliction; but
his faith came to the rescue and enabled
him to bear all with patience and sub-
mission. Humanly speaking he was
needed in his family and in the church
and community. But the all-wise God
knows what is best for His people and
always does what is best. Such provi-
dences are mysterious now but one day
their meaning will be revealed and we
will say all was done in wisdom and
love.
