Dear Ms. McMaster:

Please find enclosed my check in the amount of \$10.00 for an associate membership in your society. I have recently rejoined the Catawba-Wateree Chapter, as well as some other Societies.

It seems most of my ancestors lived in the northern area of South Carolina during the latter half of the 18th century. One of my ancestors is Thomas Bell about whom I read "he is not to be confused with Thomas A. Bell who was related to the Harpers," however, "my" Thomas Bell and his wife Nancy Steel, had a daughter Catherine Bell who did, indeed, marry Adam Harper. I am thoroughly confused but feel there must be some connection.

I would appreciate any help you can offer, and look forward to receiving your bulletins.

Sincerely,

Alice Roth
