Dear Sirs:

I have received your letter of June 18,  
forwarding seven pages of information on the  
family of James Blair of Fairfield Co. It  
appears that there is no immediate connection  
between my family and this one. I appreciate,  
however, your response. Enclosed please  
find my check for \$1.93 to cover copies  
and postage.

Sincerely,  
James H. Blair
