Dear Historians,

I am searching for records of the Blake family who lived in Fairfield County in the 1700's. My 999 John Blake m. Sarah Enoch at Broad River, Jan. 18, 1787. I believe his father was also John whose wife was an Indian named Morning. I can not find anything about them.

Could you please let me know if you have anything and the cost of copies. If they aren't much and you can send what you have I'll send a check by return mail.

Many thanks for any help.
