Dear Mrs. Stevenson:

Thank you for your letter of October 29, 1986. I have written to the Clerk of Court for Fairfield County as you suggested for the will of Osborn Boulware. I only hope that I will have enough luck to get a response. All of my earlier letters have been referred to your museum - even for dates more recent than 1905.

I appreciate the tombstone information that you sent me. I do believe that those names are indirectly related. Do you have available an index of the cemetery records your museum holds? I would like to purchase a copy if so. If not, I am interested in obtaining copies of any names of the Boulware family. The specific names I currently know of are:

John Boulware d. 1915 Winnsboro  
William Osborn Boulware b. June, 1906 d. 1929? } (last name possibly Carter  
Harold Boulware b. May 2, 1914 d. 1932? } due to adoptions)  
William Boulware b. Sept, 1852  
Osborn Boulware b. Dec 17, 1817 d. Jan 10, 1905  
Albin/Allben Boulware d. 1851

Finally, is it possible to obtain copies of the actual will rather than just a transcription (i.e. Allben Boulware)?

I have the Boulware Family History by James Richmond Boulware. The line I am currently researching is that listed on pages 55-56 (the added pages), and does not yet appear related to the Musco Boulware line you mentioned in your letter.

Thanks again for your kind assistance. I look forward to your reply. Incidentally, I just recently joined the Chester County Genealogical Society and saw your name in the newsletters. I am hoping to learn some details from materials I have ordered from the Society.

Sincerely,

H. John Cribb
