Fairfield County
Winnsboro, South Carolina 29180

Dear Sir:

In tracing our family history, I have discovered that my 2nd-great-grandfather, George BOULWARE or BOLWARE (born around 1802) was from Fairfield, South Carolina. Evidence I have recently discovered indicates that his father was Thomas BOULWARE or BOLWARE who died in Fairfield County sometime between 1820 and 1830. If possible I need copies of the probate papers of this estate to prove this connection. Could you please check your records for this document. If this record exists, could you please send me a copy of it.

I will be happy to send you appropriate remittance for this. Enclosed is a self-addressed, stamped envelope for your reply. Thank you.

Sincerely,

Ronald J. Daugherty
