### ANCESTOR'S SERVICES

My ancestor's services in assisting in the establishment of American Independence during the War of the Revolution were as follows:

William Boulware and his wife Mary Salvat Muscoe lived to be old, old, people. The old Boulware Walls were built after the revolution by his son Muscoe upon moving from Va to S.C to bury the old couple. The tombs are still there but the dates obliterated by time, could easily be so

~~The~~ The family records in Caroline Co are King and Queen show Muscoe as the brother who took care of his father after he was the old grandpa is surrounded by a rock wall 6 ft in height, and in some places huge trees have grown on top the wall showing age. Muscoe and his wife Nancy Pickett's dates were still legible as were, of course Muscoe II and his wife Elizabeth McCulloch

William was advanced in years when he served in war which possibly explains his short service in Va Militia

Give below references, by volume and page, to the documentary or other authorities upon which you found your record.

I Graves in family burying grounds built after Rev. war about 16 miles from Wintabro, S.C.
