Dear Genealogy Staff,

My name is Luke Austin. I have had the pleasure of a couple of visits to the Genealogy room as I did research on a Masters thesis about General John Bratton (Once with the late Ruth Stevenson and 3 years ago with Pelham Spong). You have in your possession a copy of my thesis -- I hope it generated some interest.

I have some good news. The Bratton family of Raleigh, N.C. has generously agreed to finance a publication effort. I will send you a copy of the book when this is done. But I need some help. General Bratton had a brother, William Bratton, who was killed during the Seven Days' battles outside Richmond in 1862. I am in the process of revising my thesis for the publication and would like to include some biographical information (especially that pertaining to his military service) about William Bratton. Do you have this information or can you point me in the right direction so that I may find it? Your help would be most appreciated.

You can email me at [lukeau@wacad.org](mailto:lukeau@wacad.org) or call me at 435-462-9312.

Thanks for your time,

Luke Austin
