Young one is sleep. and
I don't want to wake them
up.

I do not see any thing
about William Price and
Margaret Hutchinson Price
in the "Price" book. He
must be in "New Hope" something
else came to Chertzo and lived
with her son
William White Price in 1890
until his death - and some
in San Green cemetery in Chertzo
I have some death's vice train
and and let you know, every thing
when I come. I failed to put
the son William White in list
of children

When he is ² at home, but I do not think
he knows any thing only what is in
Bible - Mr Price is a Salem - and
come, in late some time, their two
Daughters are married and have children
The brother Walter Kennedy is in another
state. Hope you have been well, I
will come soon, and will let you
know the day I leave.

Will come when I take a vacation
So hope the warm weather keeps up
I won't come this week, and may be
not next.
