Linda

"Died, at his home at Woodward, S. C., November 9th, 1890, Mr. Jno. A. Brice, aged 68 years and 1 day.

He was an elder in New A. R. P. church for more than twenty-four years. Always punctual and faithful in his duties. He carried the energy and vigor for which he was characterized in his business enterprises into his church work. As pastor he was my faithful friend and advisor, always ready to undertake what I thought best. His sickness was protracted, literally "wearisome days and nights of affliction." Yet he not only submitted to God's will, but more than once have I heard him thank God for thus showing him clearly the relative value of earth and heaven. We will all miss him. His family and friends have great consolation in believing that he is in heaven." H. B. B.
