The death of Mrs Marquet Hutchinson
Brice, she was spoken of as
Mrs W. H. Brice, so her name
must have been William Henry Brice
There is a clipping out of a paper
of Mrs Marquet Romney Brice &
she was in court.
But nothing of William Brice
are any thing of his death -
Do it must have been
when they were living near Warrington
in 1890 - and you must be
in "New Hope" country of
perhaps "Judson Creek"
If you can't read that you can read
any copy of any thing
