The death of Mrs Margaret Hutchinson
Brice, the son spoken of as
Mr W. H. Brice - so his name
must have been William Henry Brice
There is a clipping out of Clarks paper
of Mrs Margaret Romney Brice, &
the son John.

But nothing of William Brice
are any thing of his death -

Do it must have been
when they were living near Winters,
in 1840 - and you must be
in "New Hope" country or
perhaps "Judsons Creek".
