To: United Brown Family and Friends Reunion

It is always a wonderful and enlightening experience when families can come together to celebrate history and culture. As you assemble in Columbia, South Carolina at the Embassy Suites Hotel, November 24-27, 2021, I hope the exploration of the Brown and Stone history here in Fairfield County will be fruitful.

I hope you will connect with each family member to honor your ancestors and family members who strived to leave you a legacy of faith, hard work, perseverance and love. May you instill those values in the next generation.

I am praying that you will have an enjoyable time and safe travels to you destination.

Sincere wishes,

Timothy Roseborough
