This season & it looks as
if it will last for a long
of time - everything is in a
stand still. The farmers
are now busy with ^{the} cotton - so far
has been a short one. I don't
think I will be able to run
by the wind & rain - our only
hope is that we will get better
prices. Well all we can do
is to be contented & satisfied
with our lot, trusting & believ-
ing "God will provide for the
best & that our situation
could be worse. Our cow
gives us plenty of milk
& butter & we get peas, po-
tatoes & butter beans out
of the garden to eat, so I
don't imagine ^{we} will perish
