### MR. WILSON'S LETTER.

It Suggests Some Very Interesting Facts, Which are Narrated.

Mr. Editor: The following items may be interesting in connection with Rev. J. O. Wilson's article concerning Winnsboro and the Methodist Church:

The trustees who built the original Methodist Church, which was torn down and replaced with the present structure by the late Capt. Thomas Jordan, were Capt. John Buchanan, William Lewis and Major Henry Moore, all being soldiers of the Revolution. Capt. Buchanan was in command near Georgetown and there received the Marquis Lafayette when he first landed in America. He entertained him and provided for him the means to enable him to reach Washington's headquarters. His home was the house now occupied by Mrs. Nancy Madden, and originally was built similarly to the first Methodist Church.

Capt. Buchanan was an uncle of John R. Buchanan and of Dr. Robert A. Buchanan, and grand uncle of Dr. James H. Carlisle, also of the writer. He was the step-grandfather of Isabella Mann, who married Rev. Hilliard Judge, whose two sons, James and Hilliard, moved to Alabama. After Mr. Judge's death Mrs. Judge married Dr. William Bratton. Their two sons were Capt. William Bratton, killed at Frazers Farm in Virginia and Gen. John Bratton.

William Lewis lived about twelve

sort of brake, and diminished the force of the fall when the passenger hit the ground.

"These experiments, Mr. Emerson says, were among the early experiences of this historical road. They began with horse power and sails, and to-day, after a varied experience, extending over nearly three-quarters of a century, the company possesses one of the best equipped roads in America."

### Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffy circles under the eyes, the sallow parsnip colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world-wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention The News and Herald and write to Dr. Kilmer & Co., Binghamton, N. Y.

William Lewis lived about twelve miles from here on the Rocky Mount road. I don't know anything of his Revolutionary record. Some of his descendants probably do. He was grandfather to Rev. John R. Pickett and great grandfather of Mrs. Connor, widow of Rev. J. S. Connor. A son of his, John Lewis, married a sister of John R. Buchanan and moved to Florida, where also another son, William, moved.

John R. Buchanan held the office of Ordinary, or Probate Judge, for lite

**WHITE REPUBLICAN PARTY FOR THE SOUTH.**

We have frequently had something say about the condition of North Carolina politics, and it has not been about purpose. The State lies right

and was during his life the pillar of the Methodist Church here. Those who knew him from infancy said he never knowingly did wrong - that he was as near perfection as it is possible for mortal to be. Capt. John Buchanan and his wife are buried in the Methodist grave yard.

Major Henry Moore in the Revolution did service on the coast of this State as lieutenant of artillery. He lived about two miles from here on the Bell's Bridge road. He was buried in his family burying ground with military honors within the memory of many now living. There are many of his descendants still living, among whom is Mrs. Robert Stevenson (nee Kennedy), who lives about three miles beyond Major Moore's old place, and Mr. Frank Caldwell, who lives in the Greenbrier neighborhood.
