Two graves marked by field stones

To the right of the fence there are 18 or more graves marked only by field stones. There are possibly other graves here, but the undergrowth is so thick, we were unable to find them.

Trinity was founded in 1837 by a group of Lutherans who crossed the river from Newberry. The church was built near the 43 mile marker on the Old Chappells Ferry Road. The church celebrated its 150th. Anniversary the third Sunday of August 1987. The oldest part of the cemetery is at the left side and back of church, the newest part is across the road from the church on the right.
