Bobye Jo, I'm sending as much info as I've been able to collect -- I've called Ethel and Margie Lee (I thought I'd never get off the phone --- gee, she rambles, but she does have dates down in family Bibles) Ethel submitted her info through "Buddy" who called today. I went as far back as my grandparents -- they would be your great-grandparents and Leresa's great-great-grandparents --- I do hope this will be of help to her --

I'm sending a photo-stat of this to Ethel and Buddy asked for a copy, too --- He suggested that we would like to have a copy of what Leresa finally turns in! If I can get one copy of that, I'll make his!! Love, Dot

Note: Arthur, Charles, William and Talton were married - I did not go into these marriages - only Margie Lee has that information in detail - if you feel that you need it, her number is 803-244-1395 --- and you'd have to speak first and tell her who you are - she lifts the receiver, but waits before talking.

Note: Robert Duke Vaudsiford's 1st wife was Mary Calvin Clark. His 2nd wife was Tumpsey Ella Bridgen whom he married in Jan. 1927 - Their only child, Clinton Randolph, was killed by a mule that kicked him in the head - he was nearly 3 years old. (I do not have his dates) Tumpsey

died a few years after Daddy's death: Let's put in
the date here if I can get it from Ethel:

Note: Your Daddy was known as R.D. Vaucliff, Jr.
and he was not really a "Jr." ---
My Daddy was Robert Duke and your Daddy
was Robert Deuphie --- he was named for the
Dr. Deuphie who delivered him ---

Note: Margie Lee had your mother's name in her
Bible as Geneva & I always thought she was
Josephine --- you, of course, know, but I wasn't
about to argue with Marge!
