Remata 7/98 by Mark Rigby

I was at Wade & Lewis as
last week & all are doing well.
Elle has a fine boy that favors
Lewis they are getting on about
as usual, the renting most
of their land. Wade is at his
old job at Andrews a mile
below the union station.
Leticia & her girl Louise are
funding Pyman & they are
sure kept busy, but they
are making good at it.
I visited Wade's daughter
Florence's home & they sure
have a nice bungalow
brick building & it nicely
furnished & paid for. She
has a nice husband tho' he
is a small. I was at the
Veterans dinner in Columbus.

& it was good enough for
 any one tho they are turning
 out fast on 12 there & we
 could think of only 5 more
 that we know were living.
 Old Mel & I are the only
 survivors of our Company
 that we know of that is
 Co B 1730 vol 9x 900
 means Col & he was killed
 at the 2^d Battle at
 Manassas Va. I went
 from there that night to
 Charlotte N.C. to Jake
 Colman, bro in the Senate
 - run there & is diagnosed as
 having Cancer of the Stomach
 of the bladder is real
 thin tho gets around well

His wife Hattie is
there every other day
& night, its said he may
have to go to Danbury to
have the bladder taken
out, Our old State Treasurer
Jennings was in that fix
for a long while.

Letters from Frank
seen, saying all are O.K.
There the bro wife has
a little baby boy & is getting
on very well. I have not had
a word from Preston since I
I saw her. I saw Sam's
baby & wife & both are nice. Dr
