These cards identified the people, then I looked up their dates, etc.
on the chart of Wm. Broom's descendants and in the book "The Robert
Coleman Family" by J.P. Coleman & in other sources, in order to make
the captions for these pictures. The part of the said chart which I
used here was taken from Dr. Broom's father's Bible and the part of the
said book which I used here was taken from Cicely Coleman's father's
Bible.

On Dec. 12, 1977 I, Jas.W.Green,III, was at W.F.Broom,Jr.'s (my pat-
ernal uncle's) home on Sullivan's Island and photographed these 12
cased daguerreotypes & ambrotypes. I made 50 exposures of these 12
cased photos on parts of 3 rolls of film which I call rolls 60,61,&
62. The film was 20 exposure rolls of Panatomic X 35mm film. The
pictures on these two pages are from roll 61, frames 9 thru 20. The
1st exposures were of the inside of the open cases, followed by the
outside of the open cases. The next exposures are shown here, being
of only the picture half of the inside of the open cases. Then the
last exposures were closer up shots of their faces.signed 16 Jan.78.
