Ms. Ruth Stevenson
Fairfield County Museum
Winnsboro, SC

Dear Ms. Stevenson:

I hope that you have received all three boxes of dental instruments and storage trays that my parents sent. I'm sure that the Museum will take excellent care of the instruments.

Enclosed you will find an update of the John Creighton Buchanan and Minnie Adger Yongue Family for your files. Some of the printed sources about our family do not have full or accurate information. I'm working in conjunction with a distant cousin in Florida to update the information about the William Ellison Yongue Family and will send that to you as well when it is complete.

I have two questions that I'm hoping you can assist me in answering. First, I noticed a tombstone at the Sion Presbyterian Cemetery to James Smyth Stewart. Because Elizabeth Smyth Stewart married Creighton Buchanan, I wonder if you might have a file on James which could help me trace her family. Second, does the Museum have a copy of the will of Hardy Chapman who died 1822? If so, may I obtain a copy.

Your assistance in these matters is appreciated.

Sincerely,
Susan Coleman
