Bobbie Jo, I'm sending as much info as
Lee Lee able to collect -- I've called Ethel
and Margie Lee (I thought I'd never get off
the phone --- gee, she rambles, ^{but she does}
have dates down in family Bible) Ethel
submitted her info through "Buddy" who calls
I went as far back as my grandparents^{day-}
they would be your great-grandparents and
Lessa's great-great-grandparents --- I do
hope this will be of help to her -

I'm sending a photo-stat of this to Ethel
and Buddy asked for a copy, too --- He
suggested that we would like to have a copy

What Lessa finally turns in! If I can get
it I'll make it!! Love, Dad

Note: Arthur, Charles, William and Talton were married - I did not go into these marriages - only Margie Lee has that information in detail - if you just that you need it, her number is 803-244-1395 - and you'll have to speak first and tell her who you are - she lifts the receiver, but waits before talking

Note: Robert Duke Vaudiford's 1st wife was Mary Calvin Clark His 2nd wife was Tumpsey Ella Bridson whom he married in Jan. 1927 - Their only child, Clinton Randolph, was killed by a mule that kicked him in the head - he was nearly 4 years old. (~~I do not have his date~~) Tumpsey
(also: one infant, stillborn - 12/3/27) Oct. 22, 1931 - Sept. 12, 1935

died a few years after Daddy's death: I'll put in
the date here if I can get it from Ethel:

Tumpsey: Dec. 31, 1895 - Oct. 9, 1979

Note: Your Daddy was known as R.D. Vangiford, Jr.
and he was not really a "Jr." ---
My Daddy was Robert Duke and your Daddy
was Robert Daughtie --- he was named for the
Dr. Daughtie who delivered him ---

- Det Vangiford

Note: Margie Lee had your mother's name in her
Bible as Geneva [I always thought she was
Josephine --- you, of course, know, but I wasn't
about to argue with Marge!]
