Family Tree

John Colvin, Birthday Unknown, had 12 children. One of his sons, Nicholas Colvin, a brother to William Colvin, my 4th Great Granddaddy, had a son named Nicholas Colvin, Jr. This son married Nancy Stone. One of their daughters, Jerusha Amanda Colvin, married Ephraim Sant. Jerusha was one of nine children. According to what I can figure in the book, your mother, Annie Amanda Stone married Edward L. Stevenson October 10, 1910. Your mother Amanda Stone's daddy was Jake C. Stone and his wife Mary Ellen Pope. Mary Ellen Pope, born May 9, 1862, was the daughter of Mary Ann Colvin and John Pope. Mary Ann Colvin was the daughter of Nicholas Colvin, Jr., born November 1, 1803, who married Nancy Stone. They had nine children. Nicholas Colvin Jr.'s daddy, Nicholas Colvin Sr. was, as said above, a brother to William Colvin, who was my 4th Great Granddaddy. Your wife, Mildred Patterson Durham, was Abner Ross Durham and Eva Sant Durham's daughter. They married in July, 1901. Eva Sant, born January 4, 1884, was the daughter of C. Edward Sant, born August 24, 1860. Edward was the son of Jerusha Amanda Colvin, born on December 2, 1839. On the back of this letter I have drawn my Family Tree of Granddaddy's.

I will show you when I come by up in the Spring. If I am wrong, please correct me, as this is very interesting.
