Dear Jodi,

Saturday brought a letter from Kenansville, North Carolina to the effect that they had no marriage record for John Outlaw and Martha Humphries in Duplin County.

To date, there are no responses to any of the other requests sent out after our last phone conversation. I hope your track record at this time is better than mine?

Has your house situation straightened itself out yet?

Will be in touch when there is something to report.

Sincerely,

G. J. Gregord, C.G.R.S.
