Christopher's second wife was JEMIMA PORTER SMITH. He was her second husband. They had no children. [K-note: Could he, indeed, have married the widow of his brother, THOMAS? The statement doesn't 'jibe' with the other data. I have no idea where I might have picked this statement up].

NOTE: Ancestral File shows his first wife as JANE PRICE. Needs to be verified.
(Note added on 31 March 1992.)

SUB: Sarah Leavitt, 5310-52 Ave., Metaskiwin, AL, CANADA T9A-0X7. (AF# 1394273. Sub: AF83-062919). Sarah Leavitt was the submitter to the Ancestral File that contained the listing of a 'JANE PRICE' as the wife of CHRISTOPHER EDRINGTON. I wrote her a letter at the above address...but the letter was returned because she no longer lived at that address and left no forwarding information.

MIL: VIRGINIA COUNTY RECORD PUBLICATIONS, 1962, Balt. Gen. Publ. Co., Vol I Westmoreland wills, etc., p 85: An order to establish a company of Militia. Note: Court order issued on 25 March 1777. John Richards to be the Captain. Second Court Order on 26 Aug 1777. CHRISTOPHER EDRINGTON, appointed as Lt to Captain Jacob Martin's Company.

NOTE: The following information was taken from the BULLETIN, Sept 1990, Vol VIII, Number III, Chester District Genealogical Society, serving Chester, (SC) Fairfield, Lancaster, Union and York Counties. PO Box 336, Richburg, SC 29749, pp 82-86 and continuing "1792 Tax list, Fairfield County, State Tax", p 85:

"HENRY EDRINGTON had 3 slaves, CHRISTOPHER had 2 and THOMAS had 1."

[K-note: There were no other 'Ederingtons' listed. It could be noted that the 'Ederingtons' were known as 'EDERINGTONS' in South Carolina...but the surname interchangeability can be noted by the above reference to HENRY 'EDRINGTON'].

CHILD 4 - Mary Ann (Mollie) EDRINGTON-120

NOTE: Mary Anne went to So. Carolina with her mother just before the Rev. War. Her mother married a John Davis...and Anne married his son, James. (See further material under James' name).

NOTE: According to the data bank of William Scroggins of Taylor Mill, KY, Mary was married to a _____ Furrey. This may have been a second husband.

NOTE: At this writing (Oct 1994) there is a little confusion as to the exact status/name of this child. She is listed in the OPR as "Anne", but in South Carolina she seems to be known as 'Mary'...with the nickname of 'Mollie'. Her full name, at birth, may well have been 'Mary Anne Ederington'...which would account for her being called 'Mollie'. In his book HISTORY OF FAIRFIELD COUNTY, SOUTH CAROLINA, William Ederington speaks of her indirectly when telling of her marriage to JAMES DAVIS in this fashion: "...and her (Betty's) oldest daughter married his son, James Davis." ANNE, according to the OPR (Overwharton Parish Register) would be the oldest child.

Further on in William Ederington's book, in a chapter entitled "Various Fairfield Families", p 62, he would seem to be giving some additional evidence

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

Furthermore, it highlights the need for regular audits and reviews to identify any discrepancies or areas for improvement. This process should be conducted in a systematic and thorough manner to ensure the integrity of the data.

In addition, the document stresses the importance of maintaining up-to-date information and ensuring that all records are properly stored and protected. This includes implementing robust security measures to prevent unauthorized access or data loss.

Overall, the document provides a comprehensive overview of the requirements for effective record-keeping and data management. It serves as a guide for organizations seeking to optimize their internal processes and ensure compliance with relevant regulations.

The following sections will delve deeper into the specific steps and best practices for implementing these principles, providing a detailed roadmap for success.

By adhering to these guidelines, organizations can ensure that their records are accurate, reliable, and accessible, thereby supporting their overall mission and objectives.

The document concludes by reiterating the significance of these practices and encouraging organizations to take proactive steps to enhance their record-keeping capabilities.

It is hoped that this document will provide valuable insights and practical advice to all those involved in the management of organizational records.

Thank you for your attention and interest in this important topic. We look forward to continuing our efforts to improve our record-keeping practices and ensure the highest level of transparency and accountability.

for the above conclusion regarding her name when he says: "Colonel JONATHAN DAVIS was a son of JAMES DAVIS, who came from York County a short time after the Revolutionary War, and married Miss MOLLIE EDERINGTON." Another item might be mentioned here. Mary Ann's younger brother, FRANCIS (b-1754) named a daughter 'Mary Ann'....perhaps after her aunt.

!DEATH: Mary Anne's date of death, according to 'Bill of TN', is hard to determine from the copy I have. It appears to be in the 1840s. As near as I can make it out, it would be: Before Dec 7 1840. Her husband died in 1822.

CHILD 5 - John E EDRINGTON-569

NOTE: The following data concerning JOHN EDRINGTON was taken from a letter from Golda Brothers Edrington, dated 7 October 1991.

"John ETHRINGTON, sometimes spelled EBENTON, but in later years was spelled EDRINGTON by the children and grandchildren enlisted in Rev. War in Spottsylvania Co, Va in October 1777. He drew pa, until July 1781, was a prisoner at Charleston S.C. (wonder if he knew he had 'kin' so close?) He returned home to Va and married Jan or Feb 1781 at Culpeper Co. Va: Susan Suckey. The only sure date for this man was in the pension application dated April 16, 1818 at which time he was about '66' years old. His wife was about 11 years younger than him (in one paper he said he was 68 and she was 57. She was 77 in 1841 when she applied for a widow pension. John died 31 Dec 1830. She died sometime after 1841."

From a packet of materials received 23 July 1991, concerning this John Edrington. From: Charles David Edrington of Leesburg, Ohio, Wesleyan minister.

NOTE: There is a mention of a JOHN EDRINGTON (Edrington?) in a book entitled HISTORY OF FAIRFIELD COUNTY SOUTH CAROLINA: FROM BEFORE THE WHITE MAN CAME TO 1942, by FitzHugh McMaster, the Reprint Company, Publ, Spartanburg, SC, 1930, page 120: "JOHN EDRINGTON listed as one of the members of a payroll in the company of Capt John Buchanan, 6th So Carolina, or the Continental Establishment commanded by Lt Col William Hendersen...from the 1st of August to the 1st of Dec 1779." (note: It would seem that this 'John' is not the one listed here).

MARR: According to material in the W T Chestnut Update of July 1994 "He married his sister-in-laws' (Caty Etherington?) sister, Susan Suckey (?). She resided in Highland Co, Va., 1841. (Children were listed in the pension

Nov 1830. He was granted \$500 pds to do an inventory. Mary died intestate. On 12 Dec 1830 the following appeared before Judge Buchanan: Nancy Edrington, Wm Rook, James Ashford and Robert Sharp. They were assigned by the judge to appraise the inventory.

P. 207: The inventory of Mary Edrington, [a hefty one], was sold at auction, 14 Dec 1830. The following people took part in the division of the estate: William Edrington, Sipe Edrington, John Edrington, Henry, Wm Edrington, Nancy Edrington, and Johnathan Davis.

DOCUM: SLC FS# 292436, pt 7, Indexed. Containing some items concerned with the settling of the estate of MARY EDERINGTON, dec., page 426-427. Court date: 14 Dec 1830. Jonathan Davis appeared at court on 30 Mar 1832 to square accounts between Mary and her former husband, Henry, and her handling of the former's estate. (Henry died 1827). Mary deceased before 1832. According to the petition Mary was assigned by the court to handle an orderly dispersal of Henry's estate...which was of a large amount...and complicated by Henry's former marriage (and children thereof, Jonathan being one of them). Jonathan claimed that between 14 Dec 1828 and 18 Apr 1831 there was an ignoring of the court's directive to Mary, resulting in her estate now owing Henry's estate 354 . 60. 7 (\$).
