Hello Angela,

We have information that is being digitized and made available to our members to review from home. The person digitizing our family file information is in the "G" family files, therefore we have Davis digitized. I have also attached a paid-researcher list from the SC Archives. We recommend Brent Holcomb.

We research and answer specific request for a specific surname or need.
Please provide a couple of generations up to a specific person you are looking for to resolve.
Please resubmit a specific research inquiry,

Eddie

Yes, I received a message saying you had some information on my genealogy. Since you are in South Carolina I am assuming you have information on either the Pelfrey, Davis, Kell, or Callenbach families. I would love to hear any further information that you may have.

Thanks.
