So live, that when thy summons come to join  
the enumerable caravan which moves  
to that mysterious realm, where each shall  
take His chamber in the silent halls of death,  
thou go not like the quarry-slave at night,  
scourged to his dungeon, but sustained and  
soothed by an unfaltering trust, approach thy  
grave, like one who wraps the drapery of his  
couch about him, and lies down to pleasant  
dreams.
