

Miss Me - But Let Me Go

I have come to the end of the road
And the sun has set for me.
I want no rites in a gloom filled room
Why cry for a soul set free.
Miss me a little -but not too long
And not with your head bowed low.
Remember the love we once shared
Miss me - but let me go.
Life is a journey we all must take
And each must go it alone.
It is all part of the Master's plan
A step on the road to home.
When you are lonely and sick of heart
Go to the family and friends we know
And bury your sorrows in doing good deeds.
Miss me - but let me go.
