DOUGLAS LINE

Alexander Douglas (our great grandfather) married Grace Brown, of Antrim County, Ireland. They came to this country about 1791. They brought with them their infant son John. The names of their children are as follows:

- John Douglas (our grandfather) born about 1789, died October 26, 1872
- Mollie Douglas
- William Douglas
- James Douglas - died Jan 5, 1867 in 74th yr
- Alexander Douglas born 9/13/1799 - died July, 1862
- Charlie Douglas
- Sam Douglas

These seven children being brothers and sisters are of course, related to each other in the same degree; and they are all related in the first degree to Alexander and Grace Douglas, being their children. Now the children of these seven will be first cousins, and be related in the second degree to Alexander and Grace Douglas, being their grandchildren.

These families will now be taken up in order.
