Clan members are honored at our AGM..... Pages 9&10

A Deb Foulkes piece about a Good Sir James Stronghold Page 15

Many Games Reports with lots of pictures of new members Pages 12 - 18

New Online Delivery for dubh ghlase!

We are pleased to announce that we have a new and much simpler delivery service for our newsletter. With one click on the link provided on an email that is sent to all on our email list, your *dubh ghlase* will quickly load and you will be able to scroll down through the pages in brilliant color. We are currently in a free trial stage and are limited to 100 email addresses for this issue. But, if all goes right, for our next issue there will be no limit.

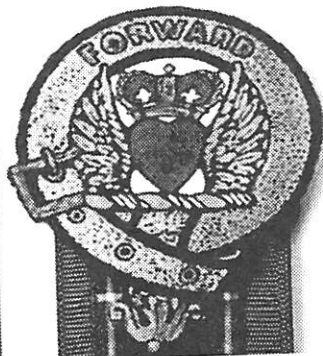

We urge you to sign up today for email delivery of your *dubh ghlase*. You will truly enjoy seeing the pictures and other graphics in full color.

To sign up contact our secretary:

Jim Morton
4115 Bent Oak Ct.
Douglasville, GA 30135
770-949-4797
Douglassecretary@comcast.net

Also, keep in mind that this is not only a great way to receive your newsletter; it will also benefit Clan Douglas by eventually lowering our overall costs. At some point in the future when we have a reasonable number of people receiving it by email, we will no longer send a duplicate black & white by regular mail to those members. We will continue to mail the black & white issue to those members who can't or don't wish to receive the color issue by email. Printing and postage costs are our largest expenses (some clans send their newsletter strictly by email because of the high cost of printing and postage.)

Please give email delivery your serious consideration – we think you are going to really like it!
