Hello Virginia,

I was looking back over your request and found the following:
Elias Dukes and Emily Elkins Dukes are in the 1810 Fairfield County, SC Census, and in the 1820 Kershaw County, SC Census, but then in 1830 Clarke County, AL.
You may want to check Alabama and/or Clarke County, AL sources. Other not-verified sources say he was born about 1785 in Kershaw County, SC and died about 1840 in Clarke County, AL.
Hope this helps.....

Eddie

Hello Virginia,

We did check our resource collection for Elias Dukes as well.
There are a few early 1806, 1820 deed sales from a William Dukes but not an Elias.

My wife is from Orangeburg County and there a lot of Dukes down there.
I checked our very limited Orangeburg County records and did not find an Elias.
You may want to check with the Orangeburg German Swiss Genealogical Society.
<https://www.ogsgs.org/>

SC Archives Online Archives has a few Dukes but not Elias.
<http://www.archivesindex.sc.gov/onlinearchives/search.aspx>

I have attached a paid researcher list that may be helpful.
Brent Holcomb is a very well known SC researcher.

Sorry if I happen across some information about Elias Dukes or Elkins I will forward it to you.

Eddie

Hello Virginia,

Your request is now #7 of 14 total remaining request.

Thanks for your patience with us. We have been working as time permits on request. Walk-in's and members have priority for assistance with research and we have been very busy the past three weeks.

We would love to provide our services at no cost and hope to one day be able to provide this service.

However, at this time we are totally supported by volunteers and donations.

On our membership application you will see we provide a multiple of research tools and supplies for researchers.

We are a 501-C3 society and all donations are tax deductible.

Normally, we encourage researchers to become members of our society (see website). Members receive free priority research and free paper copies for their membership year. For non-members, we normally charge \$15 per request (2 hours) and \$.10 per copies.

For our records would you please share any information you have updated on your family lines. The information will be filed and made available in our family files.

This will aide to expedite future request for research and assist walk-in researchers.

Eddie
