

Please forgive the way or manner I write.
Example sometimes I can be real quiet, boom someone above -
apt. will drop a bar hell, the or a radio is going, when T.V.
is on especially to sports I have to quit. We go out for
coffee before noon, again about 3:00 P.M., I love it.
Then once in awhile a family letter arrives then it takes
~~away~~ a week or to to answer.

Here I have a filing cabinet but files are incomplete because house - 18 February 1980
has been robbed things strewn many blew away.
Dear Mrs. Boulware

Rice's letter containing miss. Lucille Faucette being 9 1/2
she was visiting a sister I believe, Feasterville when
we saw her, we went into the house 1st floor where
some of her older relatives had built years ago.
noticed also there was a Colman Masonic Lodge in the Area.
I have been mixed up on S.C. especially about the
County lines of Fairfield & Chester union. Seems
strange in a way that I found Dabney Duncan +
Rebecca Fant, Gregory in Union Co. insted of
Fairfield, also Fant people Union insted of Chester
& Fairfield Co.

Dabney Duncan enlisted in War of 1812 at P.O. Winns bridge
1815 substituting for a older, however the dates shows
in a Quid he was 16 at the time, he was born
1796 + 1798 by different sources. Also he took his
wife to Anderson, S.C. while away from home, this
would have been ^{1st} Mary Crooks and not ^{2nd} Barbara's,
Mary Crooks, Duncan d. 1820 leaving (2) children
John F.F. Duncan + ^{Mary} Mersella, Mersella is the one
I descend from, not Barbara as quoted from (2)
very noted Genealogist. Mary Crooks died in S.C.
John F.F. Duncan died in Pickens Co. Ala. 9 Nov. 1903,

These robberies have happened
when we lived in the building.
Also have had (2) cars stolen.
I was an art. school teacher, received
money as the person was leaving the
highway with my medical.

His sister my Grandmother 3 times Remoued was killed when
a ball of lightning struck a tree which fell killing her and
the horse she was riding she was carrying in her arms Frances
Fant a baby, injuring my great grandmother crippling her for
life. This was near Mc Shan, Ala. 1848

Enclosed is what I have on Tabney Duncan + Elder a brother
Fant.

I will appreciate very much for Info. of Fant people buried
Beaver Creek Baptist Church Cemetery.

There are 2 land Grants of W. M. Cochrall of Camden Dist. S.C.
I. after 1820 Sumner S.C.
have no idea where they were located. Found them when
looking for Fant Wills in Union S.C. Court House, now
have misplaced the Wills.

Have marked the Calender for Re union in July 1980.

I, called Mr. Dickey once + we talked, since that time have been
unable to do since. ~~Since~~ Suppose he went to warmer weather. He
was helpful on Hoffmann info., I had no info. to ask for. It was
new to me entirely, never heard of Hoffmann in our DAVIDSON line
or Curry either, however my Decid mother had a sister named
Anne Curry Petete, also decid., my mother was named Susy
(Blanche) Petete, the Blanche was a name of of a Miss (Blanche)
Davidson in Winnsborough S.C.

Will close for now
