1790 Census - Fairfield Co. - John Dye (8)

1829 Census - Fairfield Co. - Elijah Dye (5) & George Dye (6)

1850 Census - Fairfield Co. also lists the following:

Thomas Dye - Born 1827; Margaret Dye - Born 1834

In 1850 Census of Fairfield County Mary Dye (Born 1810) and Nancy Dye (Born 1812) (See Will of George Dye, Sr.) were listed with the children of George Dye, Jr. with the exception of Mary Jemima Dye. I assume, since they were sisters of George Dye, Jr. that she was then dead and that the sisters were raising his children.

In 1850 Census of Fairfield County, Mary Jemima Dye was listed in the household of Emmaline and David Crosby. This Emmaline was born 1831 and could also be a sister of Mary Jemima Dye.
